How We Serve

▶ VIRGINIA VETERAN AND FAMILY SUPPORT PROGRAM

Virginia Veteran and Family Support coordinates support services to veterans and their families as they address the challenges of military service, deployments, transition and behavioral health concerns.

It facilitates these services for all Virginia veterans, members of the Virginia National Guard, and Reserves (not in federal service), and their families, including the homeless and those involved in the criminal justice system.

▶ VIRGINIA VALUES VETERANS (V3) PROGRAM

Virginia became the first state to create an official program dedicated to improving the employment of veterans. The Virginia Values Veterans (V3) Program is a free training and certification program for employers to help them implement nationally recognized best practices in recruiting, hiring, and retaining highly-skilled and dependable veterans.

▶ VIRGINIA VETERANS CEMETERIES

Virginia veterans cemeteries provide a place of honor, dignity, respect, and remembrance to those who served. The Commonwealth is home to three cemeteries:

- The Albert G. Horton, Jr. Memorial Veterans Cemetery, Suffolk
- The Virginia Veterans Memorial Cemetery, Amelia
- The Southwest Virginia Veterans Cemetery, Dublin

▶ VIRGINIA VETERANS CARE CENTERS

The Virginia Veterans Care Centers provide quality short-term and long-term care for veterans in need of skilled nursing care or Alzheimer's dementia care.

- Sitter & Barfoot Veterans Care Center, Richmond
- Virginia Veterans Care Center, Roanoke
- Two new centers are to be built in Fauquier County and Virginia Beach (Opening 2021)
